
[Return to CIRM Meetings and Events](#)

CIRM Roadshow: Stanford University, Palo Alto

Event date: Sep 28, 2016

Event type: Public Seminar

Event location: Stanford University, Lorey Lokey Stem Cell Research Building (SIM1) Room G1002, 265 Campus Drive, Palo Alto, CA 94305

Registration: Eventbrite

As part of our CIRM Roadshow, we are holding a series of meetings throughout the state, in order to **re-introduce** you to CIRM and what this radical new *stemcelerating machine* can do. Please join us for a more in-depth look at CIRM 2.0 on Wednesday September 28th at 2:00 PM at Stanford University in Palo Alto.

Over these next four years, we will make approximately \$700 million in *new* awards to advance stem cell research and development. It is both a tremendous opportunity and responsibility. Come join us, and be part of the team that is making stem cell history.

To learn more about the CIRM Roadshow, visit our website.
